Key points to note;

Alison or Jo (depending on your tee time) will be giving out a pack for each team - (we will be on the patio or in the hut in case of rain)

This will include
Instructions for the Competition
Team Scorecard
1 Strip of raffle tickets for each player
1 Putting Comp card for each player

In addition your entry fee includes
1 mulligan per player
1 free kick
1 throw over the shoulder
1 individual joker
1 team joker

The entry fee is £15 per person which includes all of the above plus lots of laughs around the course!! (Men's fees will be deducted from their Competition Purse).

Green fees to be paid in the pro shop before play
5 day plus will need to pay £10 in the pro shop
5-day members £18
Non. Season Ticket holders £23

There will be a halfway house - we can't do the normal help yourself selection due to restrictions but there will be wrapped snacks available and drinks.

We will also be doing a raffle and we have lots of prizes (thanks for your donations - and if you would like to donate something on the day that would be fine too!). Please check the raffle table after play.

We have a large field 76 players and unfortunately, we can't congregate as we would normally do - you can of course have a drink after play but the prize winners will be announced on Saturday evening and we will get the prizes to you.

There will be an envelope with the raffle prizes - please place your card in the envelope after play or give to me, Matt Irving or Nigel Nutsford at the end of your round.

Any questions or any problems on the day Alison's mobile number is 07818 406867

Last and not least - I hope you all have a great day, thanks for your support and pray for some good weather!!
