Notes:

Eclectic scores from Weekend Monthly Medals held April to September inclusive.
White Tee competition only - Only scores from Whites Tees will qualify towards the eclectic.
Half handicap allowance

In the event of a tie for first place the winner is determined based on the net score for the last nine holes, last six holes, last three holes and finally the last hole in turn. If there is still a tie, the winner is then determined based on the net score for the last six holes on the front nine (holes 4 to 9), last three holes on the front nine (holes 7 to 9) and finally the 9th hole, in turn.

Number of scores (holes) analysed for this report was 4,743.

Handicap allowance based upon players' Handicap Indexes as at 12 September 2026 (or, if not available, then first located Handicap Index used after this date).

Where a player is placed ahead of the following player in the results, based upon matching scorecards ('Countback'), the 'Countback' column documents the winning section of their scorecard.
